Affordable, Practical and within walking distance to Chamberlain's vibrant Main Street. What's better than being able to walk to the area's night life and especially during Chamberlain's well attended "Friday Nights". So pleased to be offering this charming home, perfect in many ways for the small household. Nice brick paver patio within the rear fenced yard. The 1920's have shared many of the notable archways seen through-out this home. Nice size pantry behind the sliding barn door. Side door entry from back yard and into either the kitchen or basement. Updated plumbing and electrical with many rooms freshly painted.
